OWNER *Testimonials*

”

My wife and I have owned our Kapalua condo for about a dozen years and gave it to Ridge Rentals two years ago to manage. We should have done it years ago. We couldn't be more satisfied or recommend the service more strongly. Based on how RR takes care of our property, I'm confident renters will be very happy with their experience and want to return again and again.

DAVE B

”

We have only the highest recommendations for Ridge Realty. Terry, Diane and their team are prompt, professional and truly care about their clients and guests. They truly love the Ridge complex as we all do and make sure all are welcome and the units are well stocked and cared after all the years.

JOHN AND MARY S

”

My wife and I have been working with Diane and Terry (Ridge Realty and Rentals) for more than 30 years. Our Kapalua condo has always been in their hands. And what caring hands they have been! When we are not in residence, they care for it as if it's their own and simultaneously welcome the folks who rent it through them.

FRANK D

OWNER *Testimonials*

”

Our family has owned homes in the Ridge since the 1970s. We live in California and consider Maui our second home. My parents, sister and husband, and my wife and I have always had our properties managed by Ridge Realty. Speaking from experience, I can tell you that Terry and Diane have always obtained the most responsibly renters, have addressed our every need, and been available to us at a moment's notice. It really helps that they live at the complex. I will never forget the time a pipe broke flooding the downstairs of our place and Terry and Diane were up in the middle of the night securing a different location for our renters and supervising the cleanup crews. More than property managers, Terry and Diane are our friends just as my parents were friends with their parents. I give them my highest recommendation.

KEVIN M

”

We are very happy we went with Ridge Realty to manage our residence. We feel so comfortable and grateful for what “the sisters” do for us. When we first bought our condo, we thought that living far away (the mainland) might pose some problems. But with Ridge Realty in charge, we honestly don't need to think or worry about our place at all.

JOSH AND KRISTEN G

OWNER *Testimonials*

”

It is easy for us to recommend Ridge Realty Rentals; we are pleased that they are our property managers. They are taking care of it as if it was their own. The fact that they live in the complex is a definite plus. Communication via text or email is quick and efficient, and their in-house maintenance allows for issues to be easily fixed. Using RRR as our management agency is more profitable; they keep our villa booked at great rates. We also find the online owner's portal convenient and informative. We don't hesitate to recommend Ridge Realty Rentals for your management company.

GREG AND DORTHEA C

”

We first discovered Ridge Realty Rentals 12 years ago while looking for a short-term rental in Kapalua. The rental process was user friendly and quite easy. Our initial rental was way above our expectations and the price was very reasonable for Kapalua. We continued to visit Kapalua for many years and utilized the services of Ridge Realty Rentals. Their services were great and our needs were always met.

Ridge Realty was such a wonderful company to work with while my husband and I stayed on Maui for the winter (about 3 months total). During that time, we stayed in 3 places by Ridge Realty and one by another property management company. I experienced a big difference in warmth, communication and service from Ridge Realty. It really does make an impact when you have a good relationship with the people you rent from.

TIPS FOR SUCCESS!

GET YOUR PROPERTY VACATION RENTAL READY

Discover the essential tips to transform your property into a standout vacation rental. From optimizing interior comfort to adding thoughtful touches, we'll guide you through each step to ensure your space delights guests and keeps them coming back for more.

SHOWCASE HIGH-QUALITY PHOTOS/VIDEOS

- ☐ In the competitive vacation rental market, eye-catching photos and videos are crucial. All our owners receive complimentary photos and videos from our in-house Emmy award-winning photographer and videographer, ensuring your property is showcased in the best possible light.

WARM AND INVITING DECOR

- ☐ Refine your vacation rental's ambiance with warm and inviting decor. Incorporate elements like throw pillows, artwork, and lamps, along with a cohesive color scheme throughout the property to establish a welcoming and comfortable atmosphere for guests. It is beneficial if your décor also reflects your surroundings of the tropics. Going with a mountain or desert theme can be off-putting for guests, as they are looking to be fully immersed in Hawaii. Just be careful not to go too over the top, as little touches go a long way.

INVEST IN DURABLE PIECES

- ☐ To ensure your vacation rental remains both stylish and durable, it's essential to select decor pieces that can withstand wear and tear. Invest in high-quality, sturdy furnishings that are also easy to clean. This approach not only enhances the longevity of your decor but also ensures the space is always guest-ready, minimizing maintenance and replacement costs.

UPGRADE APPLIANCES

- ☐ Enhance guest satisfaction by updating outdated appliances, ensuring they're functional and modern.

TIPS FOR SUCCESS!

GET YOUR PROPERTY VACATION RENTAL READY

ATTENTION TO KITCHEN DETAILS

- ☐ Ensure your kitchen is fully equipped with the comforts of home, creating a seamless culinary experience for every occasion. From casual cocktails to festive holiday meals, provide your guests with an array of matching flatware, plates, glasses, coffee cups, wine glasses, placemats, and serving ware. Guarantee that every necessity is at their fingertips for preparing and enjoying meals with ease.

PERSONALIZE THOUGHTFULLY

- ☐ Adding personal touches can make a space feel inviting, but it's important to avoid family photos to help guests visualize themselves in the property. This fosters a sense of ownership and comfort, making the rental feel more like a home away from home.

ILLUMINATE WITH GOOD LIGHTING

- ☐ Create an inviting ambiance by optimizing lighting throughout the property, enhancing its appeal in photos and in person. A simple lamp in the right space can add so much warmth to a room.

REFRESH WITH FRESH PAINT

- ☐ Transform dull spaces with a fresh coat of paint, breathing new life into the property's interior.

MAXIMIZE LEISURE AND WORK SPACE

- ☐ Cater to the diverse needs of your guests by optimizing your property's layout to seamlessly accommodate both relaxation and productivity. Recognizing that many guests may blend work with leisure during their stay, consider incorporating a dedicated workspace, such as a desk, to enhance their experience.

CREATE A COMFORTABLE OUTDOOR LIVING SPACE

- ☐ When guests visit Maui, they want to make the most of their time outdoors. Enhance their experience by offering a thoughtfully arranged outdoor living area. Equip your patio with comfortable furniture perfect for relaxation and social gatherings. Ensure there's a welcoming dining space where guests can enjoy meals al fresco, surrounded by Maui's natural beauty.

TIPS FOR SUCCESS!

GET YOUR PROPERTY VACATION RENTAL READY

INVEST IN COMFORTABLE BEDDING

- ☐ Enhance guest comfort by investing in high-quality mattresses for all beds, including pullout sofas. Providing comfortable, supportive bedding ensures a restful experience for every guest, addressing potential concerns and improving overall satisfaction.

ENHANCE SECURITY AND CONVENIENCE

- ☐ Upgrade security and convenience by installing smart locks, providing keyless entry for guests and streamlined access management for owners.

OPTIMIZE COMFORT WITH AC UNITS

- ☐ Installing air conditioning units in bedrooms and living areas maximizes guest comfort and increases rental revenue by appealing to a wider range of guests.

We're here to assist you every step of the way. With our expertise and strong vendor relationships, we ensure your villa is perfectly prepared for vacation rental success. From organizing painters and stocking pantries to updating furnishings, we can handle every detail so you don't have to.

COMPETITIVE PRICING

OPTIMIZE YOUR VACATION RENTAL RATES

Every property is unique, and our pricing strategy is designed to highlight the distinct qualities of your property to maximize your returns.

Understanding the Market

To set competitive rates for your property, it's crucial to understand the local market trends, including the average rental rates and the typical duration it takes to book a property in your area. This market awareness helps us aligning your pricing competitively.

Property Upgrades

The condition and amenities of your rental significantly affect pricing. Properties with recent upgrades and modern amenities can command higher rates. Properties featuring air conditioning systems, remodeled bathrooms and kitchens, and aesthetically pleasing interiors often command premium rates.

Additionally, exceptional attributes such as sweeping ocean views further enhance your rental's appeal and value. The more you have to offer to guests, the more you can charge per night.

Seasonal Variations

Rental demand fluctuates throughout the year. Prices typically peak during the summer, holidays and winter months when demand is highest. Offering discounts or incentives during the off-peak seasons, can attract more bookings during slower periods.

Q: How do you handle damages?

Ridge Realty Rentals has the right to charge the credit card on file to pay for any charges due to the misuse of the unit and its contents. If the reservation is made through an outside vendor, charges due to misuse will be taken from the deposit required by their booking service.

Q: When do I get paid?

Books are closed and payments made by the 15th of each month.

Q: Do I receive the revenue generated specifically by my property, or is it pooled with others?

Each property owner retains the revenue generated by their own unit. We do not pool revenues across different properties.

Absolutely! You have the freedom to sell your property at any time. As a full-service real estate brokerage, we not only manage your vacation rental but can also expertly handle the sale of your property. FAQS

YOUR QUESTIONS ANSWERED

Q: Can guests reserve a specific villa, or is one assigned to them?

Guests have the freedom to book the specific villa they prefer. We honor each guest's reservation for the chosen villa and do not move guests to different villas unless there is an emergency that necessitates such a change. This policy ensures that our guests' preferences and expectations are fully respected during their stay.

Q: Can I book my own villa for personal use whenever I wish?

Yes, as an owner, you are welcome to book your villa as much as you would like. We simply request that you provide us with as much notice as possible. We recommend blocking out the dates you expect to stay, particularly during the holidays, for over a year to ensure they are reserved for you. If your plans change, we can always open these dates. Providing as much notice as possible helps us manage reservations efficiently and guarantees your preferred dates are secured.

Q: Do I retain ownership of the videos and images taken of my property?

All images and videos taken of your property become the property of Ridge Realty Rentals. This includes any media created to enhance the listing and attract bookings. Owning these materials allows us to maintain a high standard of marketing and ensure consistency across our platforms.

Q: Do you communicate every charge to owners?

It is industry practice and our standard policy to address emergency issues, basic upkeep (such as missing/damaged plates, towels, linens etc), and maintenance and safety concerns with charges under \$500 without prior approval. However, any charges exceeding this amount or those unrelated to emergencies, upkeep, or safety will always be communicated to our owners in advance.

We are dedicated to maintaining transparency with our owners, ensuring they are always informed about every step we take.
